Thank you for your interest in holding your function with us at Concrete Boots Bar.

This document outlines our standard function options. We are a pretty flexible bunch so if you have any ideas that don't fall into these parameters please feel free to ask!

We do not believe in room hire fees. However, if you intend on having exclusive use of the venue, we do ask for a minimum spend for the night. The minimum spend is inclusive of all food and beverage purchased by yourself and your guests. The minimum spend varies depending on the day/time of the week and time of year.

Alternatively, we can reserve you an area with no hire fee or minimum spend required.

Please be advised a deposit is required to confirm a booking. This is deducted from the final bill at the end of the evening.

Facilities

Your event will be great with all the complementary facilities that we can provide you. These include:

- **Music.** Your exclusive event can be run with any music of your choice through our full PA sound system.
- **Projector.** For exclusive bookings you may use our projector for any kind of presentations or photo slideshows that you like. We can also play the AFL, cricket or our house videos of old school surf/skate/snowboard movie classics.
- **Microphone.** You may use our microphone for speeches etc.
- **Decorations.** You may decorate the venue as you wish for exclusive events, as long as there are no permanent changes required. Standard bookings may bring small decorations (subject to approval).
- **Table arrangement.** You may arrange tables as you like for exclusive events.
- **Ping Pong.** You may use our ping pong table free of charge. It's a great ice breaker and can be removed extremely quickly if you'd like to open up the space up.

Facilities available at an additional charge:

- **DJ.** Your event can be supplied with DJs and/or DJ equipment. We have a list of DJs that are available for hire that play a variety of genres.
- **Photographer.** You have the option of hiring one of our regular professional photographers to photograph your event.

Beverage options...

Cash Bar

An option for guests to pay for their own drinks.

With 12 taps of craft beers and cider, a selection of quality Australian wines, thoughtful spirit and creative cocktail selection your guests will have an excellent range of drinks available to them.

Bar Tab

A bar tab can be set at the beginning of your function to suit your budget. You will be updated on the spend as the night progresses. We will make sure you are in control of the amount you spend. Extra can be added. At any point you can revert to a cash bar and your guests can then purchase their own drinks.

If you would like to limit the options to what is included on the bar tab (e.g. beer and wine only), we can help you put together an exciting selection.
